The Five Principles of Revival

(Each week, we will highlight a principle of Revival. Begin praying now for each person in our church to grow closer to the heart of God!)

"And again he entered into Capernaum after some days; and it was noised that he was in the house. And straightway many were gathered together, insomuch that there was no room to receive them, no, not so much as about the door: and he preached the word unto them. And they come unto him, bringing one sick of the palsy, which was borne of four. And when they could not come nigh unto him for the press, they uncovered the roof where he was: and when they had broken it up, they let down the bed wherein the sick of the palsy lay. When Jesus saw their faith, he said unto the sick of the palsy, Son, thy sins be forgiven thee." (Mark 2:1-5)

Fifth, a manifestation of praises must be expressed.

Mark 2:12 tells us, "And immediately he arose, took up the bed, and went forth before them all; insomuch that they were all amazed, and glorified God, saying, We never saw it on this fashion." They glorified God. I owe God so much! You would have to know where God got me from to really know where I am now. Psalm 40:2-3 says, "He brought me up also out of an horrible pit, out of the miry clay, and set my feet upon a rock, and established my goings. And he hath put a new song in my mouth, even praise unto our God: many shall see it, and fear, and shall trust in the Lord."

Would you be willing to be a **candidate for revival**? Wouldn't you like to see an old-fashioned, God-breathed, Heaven-sent, Hell-disturbing, Christ-exalting, sin-killing, devil-driving revival where God draws souls into the kingdom of God? It can still happen. God is liking for us to believe Him. Are you willing to take the **keys of your life** and lay them at the **altar**? Are you willing to tell God you will go anywhere He leads? We must be emptied of ourselves before we can be filled with God's spirit. God must be in control. That's the only way real revival can happen!

To obtain spiritual maturity, a believer must do the good he now knows. He must stand confidently on God's Word even in trials and temptations. He must compassionately serve his brethren without prejudicial favoritism but with practical faith. He must speak carefully with a controlled tongue and wise, cultivated thought. He must submit in contrition to his all-powerful Father, Lawgiver, and Judge with a humble spirit, just actions, and a trusting heart. He must be what God wants him to be, do what God wants him to do, speak as God wants him to speak, and sense what God wants him to sense.
